SISTEMA TINTOMETRICO INDUSTRIALE

INDUSTRIAL TINTING SYSTEM

SYSTEME A TEINTER INDUSTRIEL

## Sistema Euromix / Hydromix: la soluzione definitiva

## Euromix / Hydromix System: the definitive solution

## Système Euromix / Hydromix: la solution définitive

### SISTEMA TINTOMETRICO INDUSTRIALE A SOLVENTE · EUROMIX / IDROSOLUBILE · HYDROMIX

A seguito di un'esperienza trentennale di produzione vernici per uso industriale e carrozzeria, Ep Vernici, oltre a confermare ed ampliare la gamma del sistema tintometrico industriale a solvente Euromix, presenta il nuovo sistema tintometrico idrosolubile Hydromix. Entrambi i sistemi rappresentano la migliore soluzione alla necessità del settore rivendita di fornire piccoli e medi lotti alle piccole e medie industrie, verniciature conto terzi, carrozzerie industriali ecc...

### INDUSTRIAL TINTING SYSTEM SOLVENT BASED · EUROMIX / WATER-SOLUBLE · HYDROMIX

After more than 30 years of experience in the field of industrial and car-refinish production, Ep Vernici, besides to confirm and to extend the range of products by industrial tinting system with solvent (Euromix), presents the new water-soluble tinting system Hydromix. Both systems represent the best solution for the necessity of resale field to supply small and medium lots to small and medium industries, paintings for accounts of thirds, industrial car refinish and so on...

### SYSTEME A TEINTER INDUSTRIEL AU SOLVANT · EUROMIX / IDROSOLUBLE · HYDROMIX

Après trente années d'expérience dans le secteur des vernis pour l'industrie et carrosserie, Ep Vernici, en autre de confirmer et élargir la gamme du système industriel à teinter au solvant Euromix, présente le nouveau système à teinter idrosoluble Hydromix. Les deux systèmes représentent la meilleure solution pour le secteur revente de fournir petit e moyen lots de marchandise aux petites e moyennes industries, vernissages pour le compte d'autrui, carrosserie industrielles....

Vasta gamma di prodotti per tutte le esigenze di verniciatura di metalli e plastica

Wide range of products for every needs for painting of metals and plastic materials

Vaste gamme de produits pour tous besoins de peinture des métals et matières plastiques
